1. We have audited the attached financial statements of **Venkateshwara Institute of Management**, which comprises Balance Sheet as at March 31, 2022 and the statement of Income and Expenditure for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information. These financial statements are the responsibility of the management. Our responsibility is to express an opinion on these financial statements based on our audit.

2. We conducted our audit in accordance with auditing standards generally accepted in India. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

3. We draw attention, where the trust describes the uncertainties arising from the COVID-19 pandemic. The events of the last two years—powerful financial impact across the country interlaced with the devastating and disparate impacts of COVID-19. The global outbreak of COVID-19 pandemic and the nation-wide lockdown and followed by multiple extensions in lockdown/ restrictions imposed by Central/State Governments had a major impact across the industries. This also led to an impact across the business including deferred revenues and cash flows. Our report is not modified in respect of this matter and we have not assessed the impact of this pandemic to the Trust.

4. The Trust's board of Trustees is responsible for the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Trust in accordance with the accounting principles generally accepted in India, including the accounting standards. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Trust and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Trust's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Trust or to cease operations, or has no realistic alternative but to do so.

The board of Trustees is also responsible for overseeing the Trust's financial reporting process.

5. Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

6. And we report that-

- a) We have obtained all the information and explanations, which to the best of our knowledge and belief were necessary for the purpose of our audit.
- b) In our opinion, proper Books of account as required by the management as it appears from the examination of those books.

1. We have audited the attached financial statements of **Venkateshwara Institute of Management**, which comprises Balance Sheet as at March 31, 2022 and the statement of Income and Expenditure for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information. These financial statements are the responsibility of the management. Our responsibility is to express an opinion on these financial statements based on our audit.

2. We conducted our audit in accordance with auditing standards generally accepted in India. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

3. We draw attention, where the trust describes the uncertainties arising from the COVID-19 pandemic. The events of the last two years—powerful financial impact across the country interlaced with the devastating and disparate impacts of COVID-19. The global outbreak of COVID-19 pandemic and the nation-wide lockdown and followed by multiple extensions in lockdown/ restrictions imposed by Central/State Governments had a major impact across the industries. This also led to an impact across the business including deferred revenues and cash flows. Our report is not modified in respect of this matter and we have not assessed the impact of this pandemic to the Trust.

4. The Trust's board of Trustees is responsible for the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Trust in accordance with the accounting principles generally accepted in India, including the accounting standards. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Trust and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Trust's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Trust or to cease operations, or has no realistic alternative but to do so.

The board of Trustees is also responsible for overseeing the Trust's financial reporting process.

5. Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

6. And we report that-

- a) We have obtained all the information and explanations, which to the best of our knowledge and belief were necessary for the purpose of our audit.
- b) In our opinion, proper Books of account as required by the management as it appears from the examination of those books.
- c) The Balance Sheet and the Income and Expenditure dealt with by this report are in agreement with the books of accounts.
- d) In our opinion and to the best of our knowledge and according to the information and explanations given to us, the said accounts with the notes to accounts attached herewith give a true and fair view in conformity with accounting principles generally accepted in India.

## **SIGNIFICANT ACCOUNTING POLICIES & NOTES TO ACCOUNTS:**

### **BASIS OF ACCOUNTING**

The financial statements are prepared under Going concern and historical cost convention and materially comply with the accounting standards issued by the Institute of the Chartered Accountants of India. The presentation of Financial Statements requires estimates and assumptions to be made that affect the reported amount of assets and liabilities on the date of the Financial Statements and the reported amount of revenues and expenses during the reporting period. Difference between the actual result and estimates are recognized in the period in which the results are known or materialized.

### **METHOD OF ACCOUNTING**

The accounts have been prepared using the mercantile system of accounting.
